MEET the TEACHER

Meet the Teacher video

It was sad that we could not meet you all in person last week for meet the teacher but the video we shared had some lovely feedback. If you missed it you can watch it by following the link below.

Porohita - What a great start to the year!

Check out what we have been doing

We are really enjoying getting to know all our new Porohita students this year and have loved having all our year 4s back with us. The start of the school year has already been busy, with lots more coming up. Our students have jumped right back into learning, completing some great art pieces and sharing lots of stories about who they are and where they

come from. Check out some of the photos below showing what the Porohita classes have been doing during the first 3 weeks back.

We look forward to hopefully seeing you all in person soon!

In an ever changing and fast paced technology mediated world, it can be difficult to guarantee that our children receive the skills to prepare them for an uncertain future.

However, there is a robust set of skills that have always been essential throughout history, and will continue to be for all generations to come. That is the ability that gives us the ability to communicate, to be creative, and to have a grounded sense of self-confidence.

In a nutshell this is exactly the family of skills that Head Held High Speech and Drama lessons are designed to develop.

At Head Held High we use hundreds of fun games and imaginative scenarios in our lessons, to teach conversation skills, confidence, body language, respect for ourselves and others, team work, listening, public speaking, public speaking skills, good manners, and handwriting fluently. All blended into a programme that all types of students love and have fun being a part of.

In addition to all of the above, Head held high students also have the opportunity to gain globally recognised qualifications for writing Trinity College in London or NZ Speech Board.
