## Would you like to be a Parent Rep for your class?

We're looking for volunteers from each class who can support their teacher with classroom and school activities.

There are lots of different ways for Parent Reps to help. Here are some ideas that have worked well in other schools:

- Finding volunteers for classroom activities
- Co-ordinating a class contribution to school fundraising activities like an annual fair
- Helping new families settle into school
- Creating a contact list for parents in your class
- Organising social events for families

**Please let your teacher know if you would like to help!**

## Hello from the PTA team

Hi, my name is Hilary Dodd and I'm the Chair of the PTA for 2018. My vision for this year is to work with our wonderful PTA team and coordinate fun ways to keep our school community connected and to buy more great stuff for the kids!

**A**t the end of the year we gifted the school over \$50,000, money raised with your help. Thank you to Kathryn Clarke, the outgoing chair, who was instrumental in fundraising, and subsequently in making that happen.

We donated \$25,000 toward the canopy project, \$12,000 for new i-pads, purchased new sports uniforms and jewellery for our Pacifica cultural group. We have ordered, and are awaiting, outdoor musical instruments and a new climbing frame for Rata Syndicate, and also have upgraded their sandpit. We also

purchased new bike racks. \$5,000 has been put aside for a new outdoor portable audio/stereo system, which will be great for our cultural groups, and on sports days. The school are undertaking the purchase of this. The picnic on the field was a great success and we hope you enjoyed the evening.

If you would like to get involved with the PTA or have any ideas to support to school please email us on [3kingspta@gmail.com](mailto:3kingspta@gmail.com).

*Thank you.*

We welcome Matthew Ng to the treasurer role and thank Wendy Brown for her service and hard work over the last 2 years.

We must also mention the lovely Lana's impending departure from our school. Her energy, warmth and of course wonderful sense of humour will be greatly missed. We wish her all the very best. x
